CHINA AND ITS PROBLEMS SUBJECT OF WOMAN DOCTOR

Dr. Zimmerman of Chicago Tells of Far Eastern Work—Talks on Treaty Effects.

China and its problems, political, economic and industrial, was the subject of an illuminating address given by Dr. Joan Turner Zimmerman of Chicago, noted missionary worker and Far Eastern authority. Dr. Zimmerman was the guest of honor at the First Christian church last night and spoke under the auspices of the Ladies Aid society of that church.

An unusually large audience heard Dr. Zimmerman tell of her work in the Celestial empire, listened to the story of the hardships, privations and the ultimate success of the many missionary workers in that picturesque empire, and were also regaled by the doctor's comments and criticisms of the present status of China in the Big Four treaty just completed.

Years in Orient.
Dr. Zimmerman has had many years of travel and residence in the Far East, having been in the intelligence department of the U. S. Navy during the late war. She has worked in China, Siam, the Philippines, India and other oriental countries.

A very good musical program was given by the choir of the First Christian church. Mrs. Eulalie Miller rendered several vocal solos. Another call was made for volunteers for church work, which met with a generous response.

The Women's Missionary society had charge of the entire Sunday program yesterday at the First Christian church. The pastor preached a sermon on "Women's Work in the Church" in the morning. Music was furnished by Mrs. C. E. Tyler and a chorus.

BUYS NEW MERCHANDISE.
S. Brooks, owner of the Fashion Leader, a woman's wearing apparel store, is in Chicago today, where he is buying a special lot of coats, suits and dresses, as well as other woman's wear, for what Mr. Brooks claims will be the greatest bargain event in his store history.

Now is the time to order your wreaths and select your song birds for Christmas. C. L. Powell, 121 N. Main st. —Adv. 947.

DR. PARKER GETS CALL FROM CHURCH AT PORTLAND, ORE.

Will Decide at Quarterly Conference Here Thursday Night.

Rev. B. Earle Parker, D. D., for more than two years pastor of the First Methodist Episcopal church in Mishawaka, has received a call from a large church in Portland, Ore., at the quarterly conference Thursday night. Dr. Parker will present his call to the entire congregation and decide whether to accept it or remain here.

REV. DR. B. E. PARKER.

During the five years that Dr. Parker has been in Mishawaka he has made a host of friends and has won an enviable place for himself and his church. His church now has an approximate membership of some 1400 men and women, and his Sunday school is said to be the largest and most successful in Northern Indiana.

This is the second term as pastor of the First Methodist church. The terms are for a period of three years each and Dr. Parker has but one more year to serve to round out his second term.

Rev. A. G. Neale, district superintendent and the entire congregation of the First Methodist church will be present at the family congregational gathering Thursday night, and Dr. Parker will serve notice of his call. It is not believed that Dr. Parker will remain here and well informed circles have it that he will accept the Oregon call.

BAZAR WEDNESDAY NIGHT.
The Ladies Aid Society of the First Presbyterian church will hold a big bazar and chicken supper Wednesday night in the church rooms. There will be candy booths, toy booths and many other attractions. An appetizing chicken supper will be a feature of the evening. Admission is 60 cents.

DOLLS' WIGS AT HAIR SHOPPE.
Dolls' wigs may now be had at the Mishawaka Hair Shoppe, Mishawaka Trust Company building, Mrs. M. E. Beach, prop. —Adv. 1345
